SUBJECT: National Space Strategy Study

At the SIG(Space) meeting on August 10, 1983, it was agreed that completion of the President's National Space Strategy Study would be delayed until later this fall. The reason for the delay is to incorporate the results from several ongoing studies. Judge Clark has asked Gil Rye, Director of Space Programs on the NSC Staff, to chair an IG(Space) meeting to develop an approach to the study which is both consistent with NSSD 13-82 and embraces the results of the several related studies.

The meeting will be held on September 2, 1983, from 10:00-11:00 a.m. in Room 208, OEOB. Please provide the names of your attendees to Gil Rye's office (395-5022) by September 1, 1983. If you wish to provide suggestions for a study approach, please do so by August 29, 1983.

> Robert M. Kimmitt Executive Secretary
